Guest Speaker

Brian Ahern

Brian Ahern talked about his adventure to the Philippines with Rotoplast. During his visit the hospital performed 78 procedures on children aged 5 months to 15 years. There were a number of Rotary Volunteers that assisted in a number of areas, such as : transportation, reporting, comforting, helping in the surgery room, and recovery. Each surgery takes about 40 minutes. Brian also talked about the exotic foods and drinks that he enjoyed during his visit. Thank you Brian for representing our club.

Rotaplast International, Inc. is committed to helping children and families worldwide by eliminating the burden of cleft lip and/or palate, burn scarring, and other deformities. Working with local professionals, Rotarians, and other organizations, Rotaplast sends multi-disciplinary medical teams to provide free reconstructive surgery, ancillary treatment, and training for the comprehensive care of these children. Rotaplast supports education and research towards prevention of cleft lip and/or palate. Our aim is to help local professionals build sustainable models for the care of these children, improving their lives and those of their families.
