Announcements:

Children Barn Tour: Chris Sandborn showed off the recent renovations to the Children's Barn. It was very impressive with the work that was done. Rotary contributed over \$70K in funds to renovate the barn.

Endicott Park's 165 acres is home to some of the most unique and varied recreational land on the North Shore. The park's landscape includes pastoral views, historic farm buildings, orchards, woodlands, and marshes, with a network of trails and gravel roads for stress free exploration of the park. Passive recreation activities for all ages abound, ranging from hiking, fishing, picnicking and enjoying the playground in the warmer months, to sledding, cross country skiing, and snowshoeing in the winter.
