What is Rotary Interact?

Interact is Rotary International's service club for young people ages 12 to 18. Interact clubs are sponsored by Rotary clubs (and may be co-sponsored by Rotaract clubs), which provide support and guidance, but they are self-governing and self-supporting.

Club membership varies greatly. Clubs can be single gender or mixed, large or small. They can draw from the student body of a single school or from two or more schools in the same community, and welcome home-schooled students.

Each year, Interact clubs complete at least two community service projects, one of which furthers international understanding and goodwill. Through these efforts, Interactors develop a network of friendships with local and overseas clubs and learn the importance of

Developing leadership skills and personal integrity

Demonstrating helpfulness and respect for others

Understanding the value of individual responsibility and hard work

Advancing international understanding and goodwill

Interact has become a worldwide phenomenon. Almost 340,000 young people are involved in Interact. Interact stands for "International Action".
