

How to join Rotary as a Friend

Contact the club via
rotaryclubofdanvers@gmail.com
and a member will respond directly.

We meet for lunch most months twice at the Danvers Y. Come hear local community leaders and other speakers of interest, meet club members, some of whom you may already know, and find out about our fundraising projects to learn how you can help create and participate in projects.

There is a modest membership fee of \$50* for a Rotary Friend.

We ask you to pay the cost of your chosen meal (if you choose to have a meal) when you attend our Get Togethers. (Typically \$20)

Requirements to be a *Friend of Rotary*

There are none!

But you are encouraged to...

Offer your ideas to the club for projects and community needs

Attend any social or regular lunch meet-ups

Consider full membership and refer friends to join the club!

* The \$50 fee is dedicated to fund Danvers Y camps for disadvantaged children

Friend of Rotary is a program that invites individuals like you to team with Rotary in helping provide programs and services to our communities both locally and internationally.

Being a *Friend of Rotary* allows you to help in local fund raising by participating in club events.. Some club events are not specifically for fund raising but for socializing. Rotarians call this fellowship, an opportunity to enjoy activities and each other's company.

There's no obligation to attend or take part in anything, but you will always be our welcome guest if you do.
